You can now apply
for your
ISIC, IYTC, ITIC

ONLINE at

www.isic-malaysia.com

The International Youth Travel Card was introduced more than 20 years ago to make it easier for young people to save money at home and abroad. The IYTC is issued to young people who have not reached their 30th Birthday.

The definition of youth vary from country to country and in order to provide the IYTC to the larger youth population, we have changed the eligibility to anyone not reached their 30th Birthday. The benefit providers may however define variable ages for the benefits they wish to accord to IYTC holders.

Most European countries recognised youths as those below 26years but this may not be the same in other countries. In Europe, youths get a wide variety of benefits in cultural sites, transportation by rail, bus and air, shops, restaurants, attractions, entertainment etc.

Visit www.isic.org for IYTC discounts worldwide.

The IYTC is issued in over 5000 offices in over 90 countries round the world. For More Details on the International Youth Travel Card – IYTC check out the web page www.isic.org
