International Youth Travel Card –IYTC

The International Youth Travel Card was introduced more than 20 years ago to make it easier for young people to save money at home and abroad. The IYTC is issued to young people who have not reached their 26th Birthday.

The IYTC is popular in countries where there is a clear definition of youth – anyone who has not reached his/her 26th Birthday. In short you are considered a YOUTH if you are below 26 years old.

Most European countries recognised youths as those below 26 years of age. In view of this there are plenty of discounts for youths in Europe in cultural sites, transportation by rail, bus and air, shops, restaurants, attractions, entertainment etc. Visit www.isic.org for IYTC discounts worldwide.

The IYTC is your phone card which includes a communication package – ISIConnect which offers discounted phone calls, voice mail etc. Visit www.isic.org for ISIConnect

The IYTC is issued in over 5000 offices in over 90 countries round the world. For More Details on the International Youth Travel Card – IYTC check out the web page www.isic.org

So if you are travelling around Europe and are below 26 years old, apply for the IYTC.
